# LOBO TIMES

For the students. From the students. By the students.

## SCHOOL SPIRIT

In the month of May, Leadership hosted our second spirit rally, Storybook themed with team 300 winning the competition! The 9th to the 13th was Wellness Spirit Week, the spirit days including Wear Lobo Swag, Twin Day, Wear Green, Dress up as Your Favorite Vacation Spot, and Pajama Day.

## UPCOMING INFO

On May 26th, leadership classes, the most spirited advisory class, and the teacher team has went on a field trip to Raging Waters. Honor Roll students also went to the Santa Cruz Board walk on the 31st. 8th grade promotion is on June 8th, a minimum day (dismissal at 12:40). June 9th is also a minimum day and is our last day of this school year!

# 7TH GRADE LSI PROJECTS

## WORLD ARTS

In World Arts, students are hard at work on their final deliverables for the 'Do you know the way to San Jose?' project. Each group is creating a interactive installation celebrating contributions made by groups of people to San Jose, which will be displayed in an exhibition on June 3rd.

## 7TH GRADE MATH

7th graders have ended their food unit and are now in their game unit. They are learning how to calculate the probability in ratios and percentages of winning chance games.

## 7/8TH GRADE MATH

7th grade advanced math is currently on their Games unit. They have designed and created rough drafts of their games, and are working to improve them by listening to feedback from peers.

## DISCOVERY SCIENCE

Discovery Science has finished their final project for the school year, "What on Earth is Going On?" In this project, students have learned about the Earth's structure as well as the rock cycle, and are currently working to complete a portfolio showcasing 10 natural phenomena through drawings, photos, or other visual arts.

# 8TH GRADE LSI PROJECTS

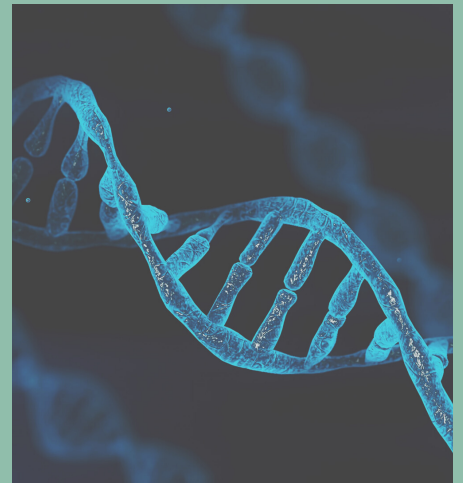

## SUPER PROJECT

LSI 8th graders are ending the year with a project that involves pieces from each subject. This project is grade wide meaning groups are not restricted to the same class. Each subject has their own driving question and requirements that all tie together with the main DQ.

## EXPLORATORY SCIENCE

For this project, the 8th graders are able to create their own superhero/villain character. The science teachers taught the class about different natural "super powers" that people have (ex. dense bones, webbed feet/hands , etc).

## 8TH & 8/9TH GRADE MATH

Math teachers taught both classes about different transformations. The DQ for math is "How Are Math Transformations Involved in Storytelling?"

## US NARRATIVE

Mr. Bryan and Mr. Garcia have spent months teaching the class about different values and how they can affect our lives. In this project, the 8th graders have to incorporate values into their characters to give them more of a personality.

# COMMUNITY & LOCAL NEWS

## ASB ELECTIONS

Now that the current ASB students are going off to high school, Quimby needs a new student body. Throughout the end of May different 7th graders are running for different ASB spots including President, Vice President, Secretary, Historian and Treasurer. Be sure to vote for the future officers of Quimby!

## MAY MADNESS

The 16th-20th was May Madness. This was a basketball bracket made of different student teams.

There were a total of 12 teams but only one won. Here are the winners of May Madness!

## HONORS NIGHT

On May 12th, the school held an event to honor those who have successfully maintained a 3.0+ GPA throughout this year. The theme for this event was mask-querade. During this event there were many awards given out.

# ASIAN PACIFIC HERITAGE MONTH

May is Asian American and Pacific Islander Month! AAPI Month starts on May 1st and ends on May 31st. This is the month where we celebrate Asian American & Pacific Islander's achievements, and contributions to American history.

## WAYS TO CELEBRATE:

- Read books related to AAPI
- Try Asian/Pacific Islander food
- Educate yourself & others on AAPI culture/history
- Watch AAPI movies, documentaries, or TV shows

## CINCO DE MAYO

Celebrated on May 5th was Cinco de Mayo, a holiday that commemorates the victory of Mexico at the Battle of Puebla. Over time this day has evolved into a celebration of the Mexican culture and heritage. You can see more of the big celebration of this holiday here in the US. Many of the big cities like San Francisco, Los Angeles, New York city, etc hold different events dedicated to this celebration.

## MOTHERS DAY

Mothers day was created to honor the sacrifices that mothers have to make in order to care for their families. This day was created by Anna Jarvis in 1908 and did not become an actual national holiday until 1914. Many families celebrate this holiday by giving their own mothers very special gifts or even doing small household chores as a way to show their gratitude.

## MEMORIAL DAY

Memorial day is celebrated on the last Monday of May. Originally this day was called "Decoration Day" and it is a holiday to remember those who have died in military service. The first ever Memorial day was in 1868 created by General John A. Logan.

# RECOMMENDATIONS

## SONG RECOMMENDATION

Lighthouse News has the last song recommendation for this year! We have recommended "Please Do Not Lean." This is a R&B/Soul song by Daniel Caesar, featuring BADBADNOTGOOD. If you're a fan of Daniel Caesar, or just like the R&B/Soul genre, this song is just for you.

## SCRUMPTIOUS

This month we recommend the Pizookie, a large chocolate chip cookie that is baked inside of a pizza pan. This dessert is commonly served with a variety of different toppings such as ice cream and chocolate syrup.

## NEED SOMETHING TO READ OR WATCH?

Spy x Family is a manga and show about the spy Agent Twilight, who has to "build a family" to execute a mission to bring world peace. This is great for you if you enjoy good comedy and action.
