

What is School Site Council (SSC)?

Every school that receives school improvement funding must have a School Site Council to develop, implement, and oversee a School Improvement Plan for Student Achievement.

Student Interest

I would like to run for School Site Council as a student representative. I understand that if elected, I will need to attend 6 to 7 meetings during the school year from 3:15PM to 4:15PM in the Quimby Oak Middle School Library. Also, I will attend a School Site Council Training on October 16th. I will need to be an active participant on this committee that oversees school programs and the budget.
