

What is School Site Council?

Every school that receives school improvement funding must have a School Site Council to develop, implement, and oversee a School Improvement Plan for Student Achievement.

Student Interest

I would like to run for School Site Council as a student representative. I understand that if elected, I will need to come to 6 meetings during the school year. Also, I will attend the District School Site Council Training (date to be determined). I will need to be an active participant in this committee that oversees school programs and budget.

Please return the form to Mrs. Hansen-Vera in the front office by Friday, October 5, 2018.
