 - C. Ms. Marsh motions to approve minutes; Mr. Salcedo 2nds motion. All in favor.
- III. Matters from the Public
 - A. None
- IV. New Business
 - A. School Plan
 1. Review of Site Goals

We will be pulling funds from our Title III funds (5, 951.00) and supplemental funds (\$46,492.00). Title III is used to support our EL students and supplemental allows us to use it for broader means.

-Math: Their goal is to give students more voice and choice in their classrooms, so that they can have 70% of students that agree with the statement: "My math teacher knows how to explain things in a way that I understand." Although the CPM math materials are current and new, math teachers want to create a better model that meets our school goals--which may include have more department collaboration time and hands-on manipulatives.

-ELA: Quimby have used the Accelerated Reader assessments to help determine and continue to build student reading levels. ELA's goal is to increase 5% of readers reading levels by one level. ELA department will be given more time to collaborate, will use GLAD

(Guided Language Acquisition Development) training strategies, and support from other departments in order to reach their goal.

-Science: By the end of 2019-2020 school year, 90% of Quimby students will be proficient or advanced as measured by the California Science Test. They plan to achieve this goal by having more hands on and challenging assignments, more explorations and tech research on non-fiction text, and department collaboration time.

- Social Studies/History: By May 2020, 70% of students will be able to identify the difference between primary and secondary sources. The plan is to work with ELA on what a clear and concise thesis requires, incorporation additional primary sources materials, and department collaboration time.

-ELD: By May 2020, 80% of EL 1's and 2's will score Emerging on the Collaborative section of the ELD framework as measured by the CA English Language Developmental Standards; and By May 2020, 80% of EL 3's, 4's, and 5's will score Expanding on the Collaborative section the ELD Framework as measure by the CA English Language Developmental Standards. For the 2019-2020 school year, one ELA teacher from Quimby's current staff, will be teaching an integrated ELD classroom that focus mainly on language acquisition. To reach this goal, we will add the integrated class for the 2019-2020 year, revised after school targeted intervention for EL and at risk-students, and more cross-curricular collaboration.

-Mrs. Ryan Hansen-Vera motioned to add to add an additional action item to goal #5: ELA teachers and Quimby Staff will identify students who was designated for the integrated ELD class. Ms. Ginger George second the motion. All were in favor.

-Technology: By May 2020, Quimby Oak Middle School will have an increase in one-to-one technology (chromebooks, heart rate monitors, school equipment, etc.) amongst students. Actions to be taken to reach this goal is to purchase heart rate monitors for PE, chromebooks for one-to-one student use, and create a surplus of equipment for any replacements needed on campus.

-School Climate: Goal is to increase the areas of student engagement and interactions with staff as measure by the Youth Truth Survey Question: My teachers try to understand what my life is like outside of school. Actions to be taken to reach this goal are more restorative justice training, PBIS resources, and supplies needed to roll out a promising and productive program that rewards productive student and citizen behavior on/off campus. Additionally, an ILT

(Instructional Leadership Team) team meets monthly to decide on decisions for the greater staff at Quimby.

-Parent Involvement: During the 2019-2020 school year, Quimby will increase more school organized events for parents, and to increase home-school communication (monthly newsletters, weekly postings on social media, etc.). Actions to be taken to reach this goal is to give the gym a technology update to the gym: installation of WiFi, new projector screen, Apple TV, and sound system enhancements. Additionally, to add more incentives to increase excitement around events to promote attendance and participation at events.

-Mr. Ginger George motions to add an action item about communication to the public; Second by Mrs. Marsh. All were in favor.

-Electives: By 2019-2020, there will be an increase in the areas in of student engagement and interaction with staff as measured. Ms. Mosey will (Art Teacher) will offer various creative/visual projects that offer social-emotional relationships. Mr. Ortega (Band Teacher) will offer formal night concerts, community outreach through local performances, and cross-curricular project. Mr. Fujimoto (Peer Advisory Teacher) will build relationships will students through their Table Olympics project.

-Physical Education: Between 2019-2020, students will engage in healthy and positive 21st Century practices to promote and model physical and mental health. Actions taken to reach this goal is to repaint the blacktop, repaint the numbers, addition of “Fun Free Choice Fridays” to help improve mile time, and broadening experiences in physical fitness by offering new PE-focused electives.

2. Approval of School Plan for 2019-2020

Motion to approve with the additions today by Mrs. Michelle Marsh. Second by Mrs. Salma Kahn. All in favor.

B. DAC

-No members from SSC attended; nothing to mention from DAC meeting.

C. ELAC

-Will be happening this Thursday, and will be attended by Ms. Marena Doxie

V. Announcements

A. Leadership School Report

-There will be a dance on Friday, March 29. Anticipate to make \$1,000 from boba drinks, snacks, and tickers.

-Looking for more ways to advertisement to sports game to garner another

packed house.

-Future goal is to incorporate Motivational Mondays, where students are introduced a word and they are challenged to adapt the traits of these words into their daily lives.

B. Lobo Pride Day

-Leadership students gave beads to students. Staff and students were showing school spirit by wearing blue and gold. Freeman orthodontics were here to show support for Lobo Pride Day, and many local government officials came to acknowledge that Quimby won a California Distinguished School Award.

-This day inspired more school spirit days, and school spirit from students who are generally more reserved.

VI. Adjournment

Meeting was adjourned at 4:25 PM.
